Wine List

Welcome to the Little Venice Restaurant and Wine Bar!

We are proud to offer our clientele not only the largest and best selection of wine but also the most comprehensive Bermuda has to offer.

Wine Spectator has honored us with two glasses for the Best of Award of Excellence.

Wine lovers of all tastes, preferences and price consideration will be able to find a wine to their liking.

However, with a wine list of such size, it can be difficult to set the layout with an easy-to-follow format.

We trust you agree that we have succeeded in doing this.

Another obstacle of size is keeping the vintages up to date.

As we endeavor to stay on top of the seemingly constant changes, situations do arise that are beyond our control.

We apologize in advance for any disappointments vintage discrepancies may create.

Thank you for your patronage, cheers !!!

Large Format Bottles

Through special orders and even the odd auction, we are able to offer these specialty large format bottles. Our stock levels are not guaranteed and pricing may be affected by market influences, such as demand and general availability.

Did you know? Larger wine bottles are well-suited to longer aging, where the wine ages more slowly and possibly even develops more complexity and nuances than wines from smaller bottle sizes. This is due to a lower percentage of air to wine, decreasing the risk of flaws.

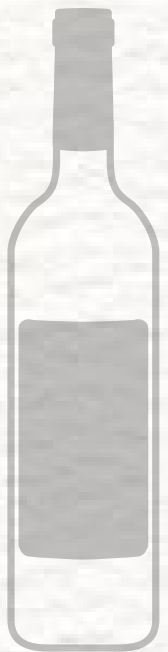

The thicker glass of the bottle means the volume of wine inside is less likely to experience temperature variations; steadier temperatures help wine age more evenly.
